

910-287 BAILEY POTTERS WHEEL

The Product

The Gladstone Bailey wheel offers the studio and professional potter a wheel of unparalleled performance and versatility in a compact and user-friendly design. The wheel powered by a super smooth 1/2 Hp drive that is controlled by a computer enhanced VF drive that due to its unique design can generate up to the peak equivalent of 1 Hp under heavy loads this enables the wheel to give constant smooth power throughout the speed range and is extremely quiet in operation.

Features

- Wheel head set at a greater height than most wheels of this style allowing a more comfortable throwing position
- Large Capacity Moulded Plastic Splash Tray
- Precision laser steel chassis with powder coated finish
- Meets all current CE requirements and BSEN standards for electrical and mechanical safety

Included

- N/A
